On today's date, I received a phone call from Officer Saavedra advising me; he observed several occupants standing by the visiting booths in housing unit 6B. He also observed the electrical outlet burnt and smelled smoke. Officer Saavedra immediately closed his housing unit, and all occupants were secured in their cells except occupant **Knight**, Keenan (M/B, 2/18/1990, Bkg#21-016014). I instructed Officer Saavedra to send **Knight** to the 6th Floor Control and have him secured in a non-contact booth.

At approximately 1745 hours, Officer Te. Williams, Officer Taylor and I responded to the housing unit. Officer Te. Williams and Officer Taylor searched occupant **Knight's** cell#36. Officer Te. Williams recovered 4 New Port Cigarettes, 1 razor and 2 pieces of paper with tobacco. Captain Hannah responded on scene and took photos with his agency issued phone. At approximately 1810 hours, Captain Hannah departed off the floor, Officer Te. Williams, Officer Taylor and Deputy Rivera and I tried to create a dialogue with **knight** because he was refusing to class move to housing unit 4A -pending discipline.

At approximately 1812 hours, I made an all call for additional staff to responded. Officer Dortch responded and tried to create a dialogue with **Knight**. **Knight** hands were secured but, when Officer Te. Williams tried to secure the belt around **Knight's** waist; he tensed up and started to resist. Officer Te . Williams used the training technique of secured the head decentralizing him to the ground. **Knight** had grab Officer Te. Williams' collar and Officer Te. Williams ordered him to let it go but, **Knight** refused. I attempted to apply a pressure point to **Knight's** right ear but, it was not successful. I then delivered 2 strong side arm focus strikes to **Knight's** lower abdominal. Officer Dortch moved me out of the way because Officer Taylor unholstered his taser. At approximately 1814 hours, Officer Taylor deployed his taser striking **Knight** in the buttocks and lower back and it was effective.

At approximately 1817 hours, RN Samantha Markwardth and RN April Choma responded. At approximately 1818 hours, RN April Choma removed both prongs; however, **Knight** refused medical assessment. At approximately 1823 hours, Officer Taylor secured **Knight's** left arm and Officer Leflore secured his right arm and Officer Dortch secured the Ripp Belt while he was being escorted to housing unit 4A.

At approximately 1827 hours, **Knight** changed over into red linen and secured in his assigned cell #09 without incident.

CJF Initial Incident	AODAD	04/16/2023 16:38

On Saturday, April 15th, 2023, I, Correctional Officer (CO) Owens-Davis, was assigned to work in full uniform, on mid-shift (1000-1830 hours), for the Milwaukee County Sheriff's Office, at the Milwaukee County Jail (MCJ), located at 949 N. 9th Street, in the City and County of Milwaukee, State of Wisconsin.

At approximately 1046 hours, while assigned to Pod 6C, I observed inmate Anderson and inmate Knight having an aggressive verbal altercation with each other. I spoke with both inmates to sort out the issue. Both Anderson and Knight cooperated and agreed to cease the issue.

At approximately 1159 hours, I observed inmate Anderson departing the gym, walking into the dayroom with blood running from his face. I then observed inmate

Knight walking out of the gym with blood on his shirt. I ordered my pod to lock-in, I turned the dayroom lights, phones and TV's off and immediately notified Master Control, via radio, of a fight that occurred in the 6B/C gym. At this time inmate Knight approached inmate Anderson in the dayroom in a boxer stance attempting to strike Anderson. Anderson then picked up a dayroom chair and threw it at inmate Knight, striking him in the face.

The following COs arrived on scene to assist: CO Blue, CO Bruemmer, CO Greer, CO Polk, Segregant (SGT) Pachmayer, Deputy Stegall, Lieutenant (LT) Montano, LT Hein, LT Emanuele, Registered Nurse (RN) Wysocki, RN Watson and Captain Evans.

Inmate Anderson was searched and then medically assessed by registered nurse (RN) Wysocki and (RN) Watson. He was then conveyed to Sinai Hospital for stitches.

Inmate Knight was changed over into red disciplinary clothing, his property was secured, and he was secured back in his assigned cell 27, pending discipline.

Inmate Williams and Stokes were both changed over into disciplinary clothing, their property was secured, and they were both escorted out of housing unit 6C to the sixth-floor control awaiting a new housing assignment, pending discipline. Inmate Smith was changed over into disciplinary clothing, his property was secured, and he was secured back in his assigned cell 32 pending discipline.

After reviewing camera footage inmate Anderson was seen in the 6B/C gym, playing basketball, when inmate Knight approached him and began to swing, striking inmate Anderson in the face with a closed fist. Anderson began to put himself in a ball-up position attempting to protect himself, he was then assaulted by the following inmates Williams, Smith and Stokes with closed fists, striking Anderson in the face repeatedly.

I Officer Owens-Davis secured all inmates property and removed it from the pod.

AFIS officer Blue took photos of both inmates and any possible injuries that may have sustained during the physical altercation.

End of report, nothing further to report.

On Thursday, December 8, 2022, I, Correctional Officer (CO) Young, was assigned to work in full duty uniform on 2nd shift (1400-2230 hours) for the Milwaukee County Sheriff's Office (MCSO) at the Criminal Justice Facility (CJF), located at 949 N. 9th Street, in the City and County of Milwaukee, State of Wisconsin, when the following incident occurred:

I was assigned to General Population Housing Unit 3B when the following incident occurred:

At approximately 1553 hours I ordered occupant KNIGHT, KEENAN T (M/B; DOB 02/18/1990; Bkg# 21-016014) to lock in due to being verbally disrespectful by calling me a "stupid ass bitch". Occupant Knight then stated, "Call it in. I ain't fucking locking in." I gave occupant Knight several chances to comply with my orders to lock in. After failing to comply with my orders I called Master Control via radio of a refusal to lock in. This disrupted the orderly operation of the jail due to other staff needing to assist with the refusal in my unit.

At approximately 1555 hours the following Correctional Officers (CO) arrived on scene: CO Gomez, Deputy Obene, Lieutenant (LT) Quantrell, LT Tyler and LT Neuman. Once on scene CO Gomez and Deputy Obene secured occupant Knight and escorted him to the vestibule to be where he was searched.

At approximately 1557 occupant Knight was then escorted to Disciplinary Housing Unit 4D where he changed into red disciplinary clothing without incident. No officers were injured. No occupants were injured.

All of the occupant's property was packed up by myself, CO Young. Then Deputy Murphy came into Housing Unit 3B at approximately 1715 hours and secured occupant Knight's property and brought it to 4D.

On Thursday, August 4th, 2022 I, Correctional Officer (CO) A. Jones, was assigned to work in full duty uniform on Mid shift (1000 1830- hours) for the Milwaukee County Sheriff's Office (MCSO) at the Criminal Justice Facility (CJF), located at 949 N. 9th Street, in the City and County of Milwaukee, State of Wisconsin, when the following incident occurred:

I was assigned to work in housing unit 6A when the following occurred

At approximately 1505 hours I along with my trainee CO Branzolwski was serving dinner trays in housing unit 6A when inmate Keenan Knight (M/B DOB 2/15/1990 BKG## 21-016014) became disruptive in the dayroom. Knight arrived at my desk shouting and slamming his hand on my desk stating " Bitch I'm the one who said you was petty". after asking Knight to lock inside his cell multiple times inmate Knight disobeyed verbal orders and became very disrespectful. Inmate Knight stated "Bitch call them people I'm not doing shit" I CO Jones notified master control via radio for a refusal to lock in and ordered my dayroom to shut down and turned off the phones. Inmate Knight began to walk on the side of my desk and make verbal threats to slap and shoot me in the face. After giving Knight multiple orders to lock in I withdrew my Electronic conducted energy weapon while giving him commands to step away from my desk.

Due to this refusal to lock in, this caused a disruption in daily jail operations causing other Officers to leave their assigned posts to respond.

Inmate Knight was taken to 4D pending a discipline hearing. All property was packed and escorted to 4D, property room along with a rule's violations.

End of Report, no officers were injured. No inmates were injured needlessly.

CJF Initial Incident	WBGWG	06/05/2022 20:47

On, Friday, June 3, 2022, I, Officer Grisby , was assigned to work in full duty uniform on 2nd shift (1400-2230 hours) for the Milwaukee County Sheriff's Office (MCSO) at the Criminal Justice Facility (CJF), located at 949 N. 9th Street, in the City and County of Milwaukee, State of Wisconsin, when the following incident occurred:

During a refusal to lock-in in housing unit 5B, Occupant Keenan T. Knight (2/18/1990, BLK/M, 21-016014) was escorted out of the cell into the vestibule by myself and Officer Leflore along with the responding staff of Lieutenant(LT) Yabarra, LT. Quantrell, Inspector Dobson, Officer Barry, and Captain (Cpt) Beal. Once inside a pat down search was conducted to ensure that there were no weapons or contraband on his persons. Occupant Knight was then transitioned into a R.I.P.P restraint belt. Occupant Knight was then told he would be going to 4D due to refusing to lock in and pushing out on an officer in the housing unit. Occupant Knight became very aggressive and angry, Officer LeFlore and myself began to escort Knight out of the vestibule to 4D when he suddenly used a dead weight tactic. During this altercation both Officer Leflore and Inspector Dobson were both injured. Immediately Cpt. Beal ordered us to perform thread the needle tactic to assist to escorting someone who is actively resisting to walk normally. Thread the needle was not successful as Knight caught his balance and began twisting and turning. Knight was then taken to the ground to gain compliance. once he calmed down Officer LeFlore and myself along with other staff assisted Knight to his feet and we began our way to 4D (disciplinary housing unit). We made it to the hallway and Knight began to refuse again get aggressive.

We made it into the elevator and Knight began to twist and pull away from staff. Knight was guided towards the wall where he was secured until we reached the 4th floor. Once on the floor and off the elevator Knight continued to resist and pull away. due to his aggressiveness and the restraint chair was brought out to the inner door of housing unit 4D. all staff assisted in helping secure occupant Knight into the restraint chair. Knight received medical attention for the restraint chair, and he was cleared and remained in the chair with no further incident.

CJF Initial Incident	AJAJ	03/02/2022 00:00

On Wednesday, March 2, 2022, I, Correctional Officer (CO) A. Jones, was assigned to work in full duty uniform on Mid Shift (1000 -1830 hours) for the Milwaukee County Sheriff's Office (MCSO) at the Criminal Justice Facility (CJF), located at 949 N. 9th Street, in the City and County of Milwaukee, State of Wisconsin, when the following incident occurred:

I was assigned to work in housing unit 5a When the following occurred

At approximately 1910 hours while doing a shakedown in pod 5A Inmate Keenan Knight (M/B DOB 2/18/1990 BKG# 21-016014) became disruptive in the dayroom, while being searched by CO. Polke, CO. Kuklinski conducted a search of knight cell and confiscated some hair jam along with two razor inside the jam. Knight became very disruptive and disrespectful to staff along with making verbal threats to staff while his cell was being searched by CO. Kuklunski.

Due to inmate Knight becoming disruptive, this caused a disruption in daily jail operations causing other Officers to leave their assigned posts to respond.

He was taken to 4D pending a discipline hearing. All property was packed and escorted to 4D, property room along with a rule's violations.

End of Report, no officers were injured. No inmates were injured needlessly.
